

Red Rock by Car

IT'S NOT CALLED THE SCENIC DRIVE FOR NOTHING...

So sit back and enjoy the drive. The maximum speed limit on the 13-Mile Scenic Drive is 35 mph and in some sections the speed limit is lower. By not exceeding the posted speed limits, you can enjoy the spectacular scenery while driving at a speed that is safe for you and your fellow motorists, bicyclists, runners and wildlife.

Now once you've followed the speed limit to your favorite turnout, it's time to park. Fortunately parking lots have been created for your convenience; however they do have limits. If the lot remains full, do not create your own parking spot by

parking off road on vegetation. These plants are in the arid Mojave Desert and can take decades to regrow. If you pick a new spot to visit or reenter the 13-Mile Scenic Drive (your amenity fee is good for a full day).

The upside to following these easy tips is you are more likely to safely enjoy your visit to Red Rock National Conservation Area, leaving it undisturbed for future activities. Note: law enforcement rangers can cite you if you that disregard regulations.
